

SVHA IS A VOLUNTEER DRIVEN ORGANIZATION

SVHA relies on our member's volunteer contributions. To ensure maximum participation and the success of the Association the SVHA Board of Directors has implemented a \$500 volunteer bond.

The Board of Directors has approved a list of volunteer positions that will count towards the volunteer bond as per listed below. For a position to be considered eligible toward the volunteer commitment it must impact the Association/Team as a whole. Examples of these opportunities are: evaluation support (on & off the ice), Photo Day, Ice Breaker, Casino, Legacy Tournaments, Approved Team Based positions.

Please note that the additional participation specific to your child's individual team is still very important and of great value.

Overview

There are two options to fulfill the volunteer commitment to SVHA:

Option 1) Pay \$500 at registration time to opt out of volunteering

Option 2) Complete 25 Volunteer Hours (combination of Association & Team positions)

Option 1 - Pay \$500 Fee to NOT volunteer

- We understand some people cannot volunteer due to time, health, etc. Therefore, Option 1 is that you can opt out and pay the \$500 volunteer fee during time of registration.
- When you register your player, you will be charged an additional \$500. There will be no expectation for you to volunteer at an Association position. However, payment of this fee does not preclude you from providing assistance to your individual team if needed.

Option 2 - Complete 25 Volunteer Hours

- 25 Volunteer Hours - which can be broken down as:
 - o 5 hours - Town Hall meeting
 - o 10 hours - Association Level volunteer opportunities (15 hours if family did not attend a Town Hall Meeting)
 - o 10 hours - Team Level volunteer opportunities
- **Please note, if the 25 volunteer hour requirement has not been made by the end of the season, you will be required to pay \$500.00**
- **The Director of Volunteers will review all volunteer totals at the end of the season and send completion confirmations to the team Manager**

Below is a list of positions that are approved volunteer positions eligible to be assessed toward the \$500 volunteer bond for the 2022-23 season.
