Publication Consent

The Simons Valley Hockey Association (SVHA) respects individual rights to privacy and is committed to protecting the collection, use and disclosure of personal information.

SVHA is looking at providing a more interactive website for the upcoming hockey season. The SVHA would like to ensure permission is granted prior to any provisions or posting in relation to specific player information. This could include the use of photographs, video footage or quotes for use on the SVHA website, in newsletters, publications which may be distributed to members, and/or on the SVHA Facebook page.

Publication of a member's last name will require additional authorization. In keeping with the current SVHA Members handbook as per Section 9.1(3a):

No member's last name will be listed on SVHA.ca website unless written consent (letter or email) has been given by the member who is over 18 years of age. Members under the age of 18 require consent from every person with the legal right to make major decisions on their behalf

This publication consent may be withdrawn at any time, upon written notice.

Please provide your acknowledgement and authorization for release by completing and returning this Publication Consent form to your Team Manager.
